“ *When my brother Glen Stone passed away, Leroy stepped up and was another brother to me. He's always shown love and respect for me. Often we would talk about Glen, now we can't talk about him, but Leroy can talk to Glen. I'm deeply sadden and my heart is heavy from the loss of another brother; but, I know that God knows best . I will miss you very much Brother Leroy . Darryl Stone and The Stone Family*
