“ *Leroy was a wonderful, hard working citizen. I will miss his humor, hat and smile. He was simply a Sales Professional who cared about his customers and the people he worked with. I enjoyed playing golf with him and listened carefully to his advise, which was always spot on. Rest is peace my friend.*

“ *To the Woodyard Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ To Leroy's family. You don't know me but I knew Leroy. I used to work at the bank on the corner of Mt Morris and Clio rd. Leroy would bring in the banking business from the car dealership and would usually wait for me to help him. I have also purchased a few new cars from Leroy. He was so good to work with and I found him to be a very honest person and he was good at pointing out the bad things about the cars to me. As a widow, I was thankful for his assistance in that. I am retired now and living in Florida. I just saw that Leroy passed away today. I am so sorry for your loss. The world is a sadder place with him gone. God's blessings to your family.
