“ *To hear of your lost has sadden us. Our prayers and love are with you. God created humans with a yearning to live forever. The Bible says that he put " a sense of eternity in their hearts." Ecclesiastes 3:11. Our first parents, Adam & Eve, were created perfect, with no defect in mind or body. (Deuteronomy 32:4) Imagine-no chronic aches and pain, no morbid fear or anxieties! Why, then do we die?*

“ This saddens me greatly. I found out while I was at work a few days ago. Before this all happened, I ran across photos and it brought smiles through looking at each one. I remember how you called me Virgo, and I called you Mr. Virgo. In my eyes, you and Brenda were a great item and always had me laughing. I had all plans to visit when I made my trip home this year, and I think that is what hurts most. My condolences goes out to you all. You will remain near and dear. Brenda, I will see you soon. Love you!
