“ *There are not any words to say concerning how we feel today. Sometimes we think that only the old leave us, but find out it is not true. It is when the Lord thinks that the person is ready to leave, this we will except. Remembering that Love knows no boundries. We will remember you as you were.*

*Always the Love & McKell families.*

“ *Words can not express the heaviness in my heart. We shared things between us that were just between us. Even though we were not in constant communications, a bond that family has can not be explained.*

*Uncle Pete & Aunt Mary, you will be constant in my prayers. Remember God loves you and so do I. Be Blessed,

“ Leslie was just like another sister in our family. I'm sure Mr. & Mrs. Johnson felt the same about our kinship. She will be very missed by my family, and I give my deepest sympathy and expression of love to Mr. Johnson. May God continue to bless and keep our souls connected to his unconditional LOVE.

“ Remembering my sweet cousin Lei. My fondest memories of you are when I lived in Michigan. You were so kind to me and looked out for me. To all of the good musical times in Pete & Micki's basement and the fun we had....Let the "Good Times Roll" in heaven. Chip is already there on the bass.

“ I was so surprised to hear about the passing of Leslie. I moved away from Flint years ago, but always remembered her as having a smile of her face and being so sweet and nice. She was so pretty and came from a wonderful family. I met her and Chip through my uncle, Bob Tucker who was a member of the Old Timers and a close friend of her Dad, Pete.

*My heart goes out to the family as I know she just lost Chip. Be Encouraged and may God comfort you in your time of lost*
