“ *Oh, Leslie LuLu, (the nickname I affectionately called you), so heartbroken to know you're no longer here with us. You offered nothing but smiles and warm acceptance for me when I joined the radiology team at Genesys. I worked with you for over 11 years, and whenever we had an opportunity to chat, you always managed to lift my spirits and make me laugh. You possessed such an incredible upbeat, perky positive manner. I'm grateful to have known you. I'll forever remember you, Leslie LuLu...  
Goodnight Leslie, eternally rest in the perfect peace of our Heavenly Father's embrace.  
My condolences to the family. Paula Latimore (coworker)*

“ Leslie my heart was truly heavy when I learned you had passed away. You was one of the sweetest ladies I have encountered. We went to school together but we reconnected when our boys started going to school together and playing basketball together. We were true "Basketball Moms" it was all about our kids. Nile and the kids I am so sorry for your loss, Leslie was all about her kids and family. Rest in Heaven Basketball Mom.
