“ My dear auntie Leola, you were on my list of one of the strongest women I know. You definitely made the top 10. I can remember as a little girl loving you, but it took me becoming an adult to realize how much I appreciated you. I appreciated how easy you were to talk too and how real you were. You loved me unconditionally as I loved you. You was the big sister that checked on your younger siblings until the end the mother that mothered until your last breath. Oh what a blessing you were to so many. You was A praying warrior, God fearing, kind hearted woman and I will never forget you. You have received your wings fly high auntie 🙏💕
