“ *Although we don't understand why God chose LeTrisha to be with Him now, we know he makes no mistakes. This is a great loss to your family and her daughter. Allow God to relieve your hurt through your tears. He will also mend the broken heart with the memories of time spent together as a family; reflections on her accomplishments and aspirations; and the personal relationship she had with each of you.*

God is your strength and comfort.

Love you all.
