“ *"Hey Boo!" is what she'd Always say as she would approach me.  
For a long time I didn't know her name but I knew her Person! She  
was always str8 to her point & she would never tell me any different.  
She was a Good person that was led astray. She was my girl  
whenever i'd happen across her way. She'll be miss'd dearly by  
many people from different walks of life." As far as the east is from  
the west,so far hath he removed our transgressions."Psalm

you grieve.*

“ *To the Family:  
In times like these, WE NEED.....SAVIOUR! It saddens my heart deeply to have had to tell 'my granddaughter, Dyme', that 'Scrappy' got killed. Upset is not the word; She was DEVASTED! She doesn't understand who would do such a thing to such a harmless person? I want you to know that when we say: "I can't figure things out," God says: "I will direct your steps." Proverbs 3:5,6 is what helped me through in times like these. It states: "Trust in the Lord with all thine heart and lean not to thy own understanding. In all thy ways acknowledge Him and He will direct thy paths." Hope it strengthens you to know that GOD CARES & So do we. PRAY'n 4 YOUR STRENGTH n da LORD!!*

“ To Leverne's family I send my deepest condolences. A lot of uninformed people thought she was just a street person. To me she was a beautiful spirit. Whenever I saw her she had a smile on her face. Although she was plagued by mental illness she touched a great number of people. We will greatly miss in our practice. RIP "Scrappy." May you rest in heaven.

“ Leverne called me "Mama" every time she saw me and God does not let to many people call me that. Leverne touched my heart and she went to school with my eldest daughter. I did not birth her unto this world, but I still felt she was my daughter when she would say "Mama". What I know now is that in the book of Exodus it says, "Thou shalt not kill!" Whomever has taken the life of this dear child will answer to the Great God Almighty, because they took someone that was special to me and touch my heart. Leverne A.K.A. Scrappy is with God now he wanted her and now she is in his beautiful garden in Heaven. So cry because we will miss her and what I will miss is her eyes how she looked at me, but also know to be absent from the body is to present with God. We Love You Leverne and We Will Miss Your Dearly. But God Loved You Best!

“ Dear Hirnes Family, I was born and raised in Flint, and whenever I hear about tragedies such as these it saddens my heart. I simply want to say that there is a hope for the future that rests in God's Promise of a Peaceful New World... in which righteousness will dwell. Psalms 37:10,11 and rev. 21:3,4 please read these and gain comfort in knowing that this too shall pass, and your loved one Scrappy will get to see true happiness and peace. thank you.

“ My condolences to the family. I am comforted by a passage at psalm 34 vs 18,it says that God is near to those who are broken at heart and those crushed in spirit he saves. I hope this serves as a comfort to you during this difficult time.

“ I only encountered "Scrappy" from afar but you could tell she had a kind spirit and was very comical and childlike. I just wish there was more that couldve been done to help this young lady in the short time she was on this earth. I pray for strength for her famil and the comfort of God who can only comfort us. I pray the blessings of the Lord on her offspring male or female. That they grow up to be honorable men/women of God and are prosperous in all of their endeavors. God bless all of the people who are still here to cherish her memory.
