“ *Words cannot express how much I will miss my wonderful brother in law, "Big Louie". He affectionately called me "Lena Bena" - just like my Dad! He was a giant of a man who graced our family over 35 years ago! When my sister passed 5 years ago, that was also devastating and he kept us going! We trust God and know that he will carry us through such a great loss. Find comfort in knowing this: "Our present suffering is not to be compared to the Glory that will be revealed in us when we meet the King" It's going to be a home going, shouting, good time as we celebrate his life and memory! Another servant has gone on to meet the King. Praying for the entire family!*

“ *Louis Hollins, or Big Lou as he was affectionately known to me. I appreciated him in life and relished being his Atlanta-Bound Sister-in-Law. I was shocked and surprised to hear of your passing, and know that I will miss your genuine warm-hearted smile.-) You were a tall giant with an infectious grin and laugh. I know you are in the hands of the Lord, so rest in his loving arms. You are truly going to be missed. ~ Love Tammala Payton*
