“ *Just think, you're here not by chance, but by God's choosing. His hand formed you and made you the person you are. He compares you to no one else you are one of a kind. You lack nothing that His grace can't give you. He has allowed you to be here at this time in history to fulfill His special purpose for this generation. Now your work is done and he has called you home. Luv us lil sis and i will see again in heaven!!*
