Ms. Lillian "Lynn" Bullock was born July 13, 1962 in Tarboro, North Carolina to Fannie Bullock and James Otis Davis. She moved to Flint in 1967 and attended Beecher High School where she earned her diploma. "Lynn" as she was affectionately called, was employed at McGuane Industries for ten years as a machine operator until her health failed. Lynn enjoyed her family, fishing and her grandchildren, Rex Avenue was always rocking when Lynn was around, snapping her fingers, and swinging her hair. She made everyone feel loved and welcomed but didn't hesitate to tell you exactly how she felt, whether she hurt your feelings or not. We will miss her laughter, her spunk, and that mega-watt smile that lit up an entire room.

Ms. Lillian "Lynn" Bullock leaves to cherish her sweet memories: parents, Fannie Haywood and Joseph B. Nelson; 2 daughters, Antwonina, and Shanetta (Royce) Bullock of Indianapolis, IN; 2 sons, Shane Cox of Flint, and Tommy

Parks Jr.; 2 sisters, Jonell (Keyon Sr.) Holt, and Patrice Nelson; 12 brothers, Darrell, James (Estillita) Vernell, Anthony, TaDaryl, Yvaes, Darcy, Ray, David, Richard, J.C., and Craig; 6 grandchildren, Jamal, LoLenia, Terreon, Aaliyah, Xavier, and Shane Jr.; 3 aunts, Sandra (Calvin) Whirl, Brenda (Moses) Exum, and Julia Winnegan; 3 uncles, Anthony, Milton Jr., and George Lee Bullock; a host of other relatives and friends.

“ For Lynn, my sister, my friend:

*I've had so many opportunities to tell you how I feel, I just somehow in my heart knew that you knew our friendship was real.*

*We shared so many good times, so many bad times and everything, I mean everything in between.*

*Lots of laughs, lots of tears, tons of movies and a million and one drinks, you were kind of my shrink.*

*I can see you dancing, shaking your groove thing. Playing dice, listening to some good old Freddy J or Otis sitting on the dock of the bay. I could go on and on of all the tunes we used to jam to, all the oldies but goodies remind me of you.*

*My mind often wonders to 1168, Princeton or Kurtz all of those memories, leaving such a good friend behind often hurts.*

*Those memories that bring me back to the Misty 50 and those Dirty disco years, years I shared with you sometimes bring tears.*

*You were my first sister in law, well Shoney too, remembering when she could only say cossee, well coffee, I used to laugh about it and so did you. And everytime we left the house, momma hollering brink me back a faygo, sometimes we'd push eachother out the door talking about, go, go, go. Trying to sneak out. Lmao.*

*But really do you want to know, you were my first best friend, my true ace boom, my road dog. We rolled everywhere together. You accepted me for me, always color blind. You loved me until I could love myself at one time. Now that is some deep shit!*

*You taught me so much, how to clean greens, flat iron and braid hair, you were always teaching me and I was always there. You showed me how to be "A cook in the kitchen and a lady in the streets." Boy oh boy, I have so many memories.*

*You showed me that "Black is beautiful" Your smile could light up any room. A woman that walked gracfully with her head held high, strong, determined and independant, I never was happy when it was time to say good bye.*

*You, Lillian Bullock have taught me so much and I've always wanted the best for you, you deserved it, you worked for it, you claimed it. I hate that I am so far, I do feel comfortable knowing we are beneath the same stars. As I look every night and blow a kiss to you, praying*

*hard that God see you through. I wish I could be by your side and laugh it up with you, that was something that came natural to do. I want you to know, I'd go through all the physical and emotional pain again, because I was blessed with you, my dear long lost friend. I pray for your health and spirits to be lifted.*

*I love you Lynn.*

*Forever until Eternity.*

*To the moon and back a trillion times.*

*Sincerely,*

*Erin Goode*

*P.S. Lavonte' will not touch anybodies macaroni and cheese except yours.*

*This is hard it makes me cry, I wish so bad I could be by your side.*

*A million words could never say or show how much I care for you, I just hope in your heart you know that I do.*

*R.I.H My Black Beauty*

“ *I will remember all the good times we had when we came to Flint and stayed at your house playing that Sam Cooke and Al Green music. You had the spirit and soul of an Angel who always lit up the room. We will miss you dearly. I know you will be looking down on us. Love you so much. R.I.P. I know you definitely have your wings that's for sure.*
