“ *To The Family of Miss Lillie Garth*

I just found out about the passing of your precious Ms Lillie. My name is Gwen Barney. I met Ms Lillie in 2018. We were roommates at Hurley Hospital for 8 days. We were both very ill, and quickly got attached!!! We became each other's rock. We prayed out loud for each other! We complimented and complained when necessary! Even though our bodies were hurting, we found ways to laugh and and keep pushing. She was just my Angel. We exchanged phone numbers, and up until this past July, I believe, we were still in contact. I called her, we got caught up with our usual health concerns and as usual had a great visit. It had to be cut short because her daughter had come to take her to yet another dr appt. we told each other about loving the other, and we talked of me visiting her as soon as the pandemic was slowing down. I shall miss her wonderful voice and that funny laugh. Rest In Peace, Ms Lille, and know that I will forever remember our times together with the upmost fondness, and of the love I felt for you. God Bless the Family of Ms Lille, as I pray your wonderful memories will sustain you, and allow you peace, comfort and strength. With Love, Gwen Barney
