“ I will remember Ms. Lillie for her spunk, and being sassy sometimes. She was proud of each of her children, and loved her entire family. I am happy to call her a good friend and happier that she always called me family. We spent many days together, traveled many miles going to doctor visits, fun places like Kemah, and to get food at The Greasy Spoon. I love her and will miss our time together, but know she is happy as can be now.

“ Some memories I shared with Lillie were attending church in her home state Louisiana, we had good times which leaded and built up to our great friendship in flint Michigan, in flint I participated in baby sitting some of her children and singing in the choir with her. Throughout the years as we continued to stay in touch and communicate up until her passing which wasn't too long before I had last spoken her. Lillie relationship with the Roland Family was like her own and we are sending our condolences to the Gentry and Hunter family and wishing the comforting of god. I wanted to take this time for sharing warm memories and to honor a wonderful life ❤️
