Lillie was a caring and loving member of our Manley family. I respected her concern for children.

“ So very to hear this and cannot be there tomorrow as my mother in law is in hospice at the moment and we have to be there. I loved Lillie like a sister .We just clicked together while working at Manley Elementary. No matter the expanse of time we didn't see each other when we did bump into each other (like at Krogers a few times lol)it was like two goofballs jumping for joy. I loved her and will always remember we had each other's back RIP MY FRIEND

“ Fannetta I remember picking her up for work on a regular basis going to the school we would have some crazy conversations and laughing all the way there and another time when I ran into her in family dollars and she was standing right behind me I looked around and we just hug each other cause we haven't seen each in a long time and I still feel her hugging me

“ Lillie you were like a mom to any of us kids in the neighborhood. We could eat play and walk into your house and always felt welcomed. You never hesitated to make sure we were doing the right thing. Those were the good old days. The entire Robertson and Miller family my heart goes out to you. We love you guys and send our condolences. The Gray family.

“ When someone you love dies, it hurts deeply. Sorry for your loss. It is my hope that you find comfort through prayer (Philippians 4:6&7). God the Father of our Lord Jesus is the hearer of prayer. (PSALMS 65:2). He invites all to throw our burden on him and he will sustain you through this difficult times.
