“ *Angels are everywhere- On the ground and in the air. They're watching you always, Because they truly care!*

Their watchful eyes Fill the starry skies. Their listening ears Hear the faintest cries.

No matter where you reside, There's always an angel by your side, Around every corner Both in and outside.

Angels will always be with you As long as you know what to do..If you just believe in them, They will believe in you too!!

Our prayers and thoughts are with the family.

Be strong and of a good courage; be not afraid. Joshua 1:9
