“ Linda, you were the rock for so many including me. You gave of yourself until you no longer could. I will always remember how you and George were there for us with Mom and Dad. And when you couldn't be there, you dispatched George to go see about Bro. Jimmie 😞. You have transitioned from Earth to Glory. Though my heart breaks, I know your welcoming committee was at the gates with open arms. Soar high above the clouds Linda, you have earned your wings...(then there was one 💔).
