“ *To Joann, the rest of Linda's siblings and her beautiful mother a true soldier of faith; Although I only knew Linda for what some would deem a very short time, it was long enough to come to truly love her. For you all to grieve is normal. To cry is natural. To hurt and even wonder why, is human. Yet, the word of God is your assurance and comfort. For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. To the beautiful garden that Linda planted and leaves to bloom (her children, grandchildren and great grandchild), your mother was a great witness of unwavering faith and trust in Almighty God. Continue in that trust. For God will heal your broken hearts. Sharing in your loss and praying your strength*

“ To The: Fisher-Pittmon-Goins Family,

Being around Linda was such a sweet inspiration. Such a beautiful Spirit.

I used to tease her about how awesome she would dress with her sister Joann.

That would really make her smile, and a beautiful smile she did have. My heart is greaving because I just knew she would pull threw this trial. I'm glad she knew that I was lifting her up in prayer. We cared for each other like that. To her children may God take care of you, and be that Mother that no other shoes can fill. To her Sister's and Brother's, when you pick up the phone to call her, just look up her number will never be busy! To her Loving Morther Ms. Pittmon, you have done a beautiful job raising a wonderful person such as Linda was. I pray your strength in the Lord.
