“ I am greatly saddened by the passing of Ms. Linda. I got to know her some years ago through the Head Start Program at Merrill School. I got the chance to spend time with her at a National Head Start conference out of town. Ms. Linda didn't say much to start, but oh when she did! We learned something that day! She was very loving, nurturing and caring to all the children that I have seen in her care. She went over and beyond the "normal" call of duty as a child care provider. I am blessed to have had the opportunity to have her in my life for that time and season, for God knew the reason.
