“ *Fay we have always been close like family, and we have often thought of you and wondered how you were doing. Some were good & some things were bad, but we kept on loving you anyway. We will never forget the life we shared for 50 years. It hurts to have you gone, but we know you don't have anymore pain to suffer.... God has Never left you... Love her more now Jesus!!!*

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.
