“ Linda was one of the hardest working women I have ever known. She was always willing to work for Head Start even after working all night. Linda always wore a smile and greeted everyone with good will and cheer. Everyone begged to have Linda work with them. Her love for life, children, and people in general was transcended and I know that God called upon her because he really needs great angels to help him now and I am a better person for having known her. May God continue to bless us with her presence. My prayers go to her friends and family in their time of need.

“ Sorry to hear about the loss of your loved one. Death is a enemy that we as humans can never get use to. In my times of sorrow I have found comfort in John 5:28,29 which says that one day we will see our loved ones again.
