“ To the Family of Linda Standard, I can't post the video or all the wonderful messages we received on my facebook, but go to Monica Jahner Facebook and you will see an awesome video I recorded at an event Linda helped with called "Breaking the Cycle of Incarceration" and she poured her heart out to help other youth. You can read all the wonderful things that were said about her, there is over 50 messages and I am sure we will follow more. I am so sorry that this is all I have for your memories. We were her family too and we loved her and we will miss her but we know she is no longer in pain. I talked to her the Friday before she passed and she was in good spirits and told me not to worry that she was all right with this, she knew that all was being done to get her home and she was just about there. Her faith in God was amazing. You are in my prayers and my heart is with you at the time.

I know Tosha can't read this but know my lil one we will be there to look over you and do our best to fill a void. Love you Tosha

“ Dear Standard Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is tremendous, even with the passage of time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress according to Psalms 83:18, and Psalms 65:2. Please be assured, death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again, as promised at John 5:28.29 and Isaiah 25:8. My family and I wish you and yours peace.
