“ *Lilly and family, Lloyd was a wonderful neighbor and quite a intelligent Friend. Lloyd was always willing to share stories of working with his dad. But I'll never forget, we had couple of trees down on our street, due to a storm. While we were scratching our heads, Lloyd showed up with a chain saw...go figure! . We will truly miss him.*

“ *To the Thomas Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
