I just learned of Lolita's transition from this earthen vessel. We attended CMU together, and we had fun times meeting to study and travel to other school sites to attend classes. My deepest condolences go out to the family. She would be greatly missed.

“ My deepest condolences to the family of Lolita LeFlore. Lolita and I shared many fun and crazy times together...oh yes, I remember the gum popping! She was always introducing me to someone and hit the mark when she introduced me to my husband 25 years ago. I will forever be thankful to her for that blessing. Although we could not make it home to pay our respects, our son Robert was there for us. Mr. LeFlore and Mrs. Ernestine you and your family are in my thoughts and prayers. Lo, you will forever be in my memories!
