“ A final earthly GoOD- bye to an Angel of UNCONDITIONAL, Love, Peace, Mercy and Grace. I will always remember, the good times, the challenging times and the way you handled both. The life lessons you taught me were just that, life's lessons. I learned the lesson of giving and loving from you and your mom. I have passed them on to your grandchildren. There is no sorrow that will last. I miss you already. Not being able to pick up the phone and hear, "HI BABY" as only you can say and "LOVE YOU" at the end of our chat has left a void. I believe you are rejoicing and reconnecting with my Dad, Nannie, and the whole crew... Tell them all hi and I LOVE them...I know, Weeping may endure for a night, but JOY comes in the morning... I'll ALWAYS LOVE YOU MAMA, DeLisle

Juan, I will never forget the inspiration Mrs Williams gave me during the time of the loss of my mother. The beautiful angel she gave me represents a heart of love and compassion. I feel your pain! Be encouraged by the word of God. He is a present help in the time of trouble, look to the hills from whence cometh your help, all of our help comes from the Lord! Cry out to him and he will answer and give you strength! May God Bless you and your family! Love Ya!
