“ *Lonell Hamlett practiced Goju Ryu karate with our group in the GSA fitness center, beginning on June 11, 2015. He trained on a regular basis, until the fall, when he complained of severe stomach discomfort, which prohibited him from working out.*

Lonell brought with him a sense of enjoyment and enthusiasm, which always felt contagious. He laughed at obstacles and entertained a healthily level of curiosity, which he sated with questioning and analysis. I will truly miss Lonell, and I my deepest condolences to his family.
