“ *First and Foremost to my family:*

I love all of you, Second of all God will put no more on us than we can bare, Earth has no sorrow that heaven can not heal!!!

Reflections of my Brother!!!

I remember being a little girl and Michael and Punkins spending alot of time with me, especially down on Dewey st, I hated the dogs but I loved being over his house! and on Dayton st. was when me and my brother had a talk and he told me I was grown (well almost grown)and I could do what i wanted to, What did he tell me that for, especially knowing he was'nt go tell my momma and daddy it was over!!! , So I said ok pour me some of that in this glass(LOLOLOL)!!!!!! and he laughed at me something fierce when I could'nt get up from the couch!!! I posess and will forever posess wonderful memories of my brother!!!! I love him forever, for always, for Life.

“ Aunt Pumpkin and Family...

As a young girl, I remembered Uncle Mike being a joy to be around. He had a great sense of humor. He often would say "hey, hey, hey" :-)

I know this is not going to be a simple process but if you trust in the Lord with all thine heart; and lean not unto thine own understanding (Proverbs 3:5)...I can ensure you He will renew your strength everyday.

When my NaNa passed away, I learned her heart is with the Lord. Then I realized I had to seek the Lord in order to find her...

If undeveloped people said negative comments, pray for them especially the Hawkins Family...

“ Pumpkin words cannot express the sorrow that I feel for you right now. I know this is going to be a hard journey but God will be there for you just lean on him and he will give you perfect peace. You and Michael was together for a long time and the love that you two shared was real. When you all rented the house that I lived in on Baker St, and I came over there and seen the Christmas tree upside down in the dining room, I could not do nothing but laugh. It has been a while since I seen you two, but I always thought of you two. May God keep you in his loving arms and you continue to put your focus on him and he will direct your path.

“ I don't have the words to say or explain how we feel about your lost. We are deeply sadden about the lost of your loved one. Remember in times like these God is closer than ever. Just call on him and he will be there to help you through this rough time of your life. One day at a time and time will heal the hurt, lost and pain.
