“ *James I am sorry for the passing of your mother. I just didn't know, or I would have supported you. Your mom my neighbor had a special bond. Very nice lady your mom was. I will miss asking her where is James, and her response, I don't no where that boy is, he was just across the street. I will truly miss her and the laughs we had. God be with you and the family. Just a sad day for me to know she slip away...*
