“ *Mrs.Dumas was one of the community matriarchs. I describe her this way because she not only ministered to her children and grandchildren but she reached out to the other children in the community. She also as I look back on it was a entrepreneur, aka, the ice cup lady.*

I was always glad to see her whenever i would occasionally bump into her in Meijer. She will be remembered by me and my family for she touched our lives in a positive way, she was a light and now the world is a little dimmer, the Hester family will miss her.
