“ Aunt Lo (and Uncle Fred..lol) gave me my first job performing Data Entry. I must have been around 14 years old. I made mistakes but Aunt Lo lovingly gave me redirection and correction. Aunt Lo and Uncle Fred provided the pathway for me to learn responsibility/accountability and attention to detail. Those two things helped contribute to my successful military career. I'm forever grateful for the unconditional love and support I've received from Aunt Lo and Uncle Fred ❤️
