“ *I am so sorry to hear of Teenie's passing. I have many fond memories of watching him exhibit his outstanding athletic skill in football, wrestling and basketball when we were students at Northern High School in the late sixties. I got in trouble once for trying to take Teenie's picture from the school trophy case, so I could add it to my scrap book. He was a sweet young man. May God rest his soul and bring comfort to the family. My sincere sympathies to each of you.*

“ *To The Family:
I'd just like to send my condolences to the bereaved family. There are no words of comfort especially when a father/mother passes. Tonglia and Melissa know that he's gone on to a much better place and you'll see him again one day, is comforting. You may not have your Earthly dad but you'll always have Jesus, who promised to never leave you nor forsake you. May your heart be healed from your loss and May God give you peace in Jesus' name, is my Prayer.*

“ *To the family of Louis Dent we send our deepest sorrow. When you think of Louis think of him as if he is sleeping because that is how Jesus depicted death in the bible book of John 11th chapter, verses 11-13,43,44. Jesus wanted us to know that our loved ones sleeping in death will be awoken. (John 5:28,29) His Father, Jehovah (Exodus 6:3) has promise to give him the power to do a global resurrection (to bring back to life) in the near future. Will Louis be included? Yes indeed!*

“ *I went to Emerson Jr. High and Northern High with Louis and thought highly of him and considered him a good friend. I could shoot his eyes out in basketball but get on the mat with him(only once) and he would twist me in knots. He had a great smile and a great sense of humor. Although I lost rack of him after school, every time I thought of the old days he would come to mind. Please accept my condolences because I know his passing will be a huge loss.*
