She was an Elementary Teacher in Arkansas and Louisiana before relocating to Saginaw, Michigan in 1947. Not long after moving to Saginaw, she became the first African American cashier in the City. In 1952, Louise began working for the city of Saginaw as its first African American Recreation Supervisor. Additionally, she completed graduate coursework at Michigan State University in music, voice, and art as well as

recreation administration. In 1976 when the City of Saginaw opened its new Civitan Recreation Center, the Civitan Club paid special tribute to Louise in honor of the services she rendered to the youth of Saginaw. She retired as the senior citizens' activities coordinator in 1982. Louise also served as a Senior Musician at Zion Missionary Baptist Church for 55 years, making her the longest tenured musician in the denomination in the Saginaw area. While at Zion, she partnered with several other members to create the Male Chorus and the Gospel Chorus. In addition to her professional achievements, Louise has been active in a number of civic and professional organizations including the American Business Women's Association, the Board of Housing Appeals, Nomads Inc., the Young Women's Christian Association Board of Directors, the Gospel Music Workshops of America, NAACP, Big Sisters of America, Michigan Recreation Association, and the Association of Health and Physical Education. Louise sacrificed her time and energy to ensure that Saginaw citizens received educational and recreational enrichment to promote good mental and physical health. She was never too busy to help anyone. On countless occasions she served as a mentor to young people. *Dear Peeti and Chawn,*

*Mrs. Archer truly exemplified the love of Christ. She was elegant, thoughtful, and magnanimous. For example, Mrs. Archer observed one day that I collect Christmas ornaments. The following day, a gorgeous ornament from her private collection appeared on my desk.*

*She joyously shared her time, talents, and resources. Louise was indefatigable as she encouraged all whom she met. Mrs. Archer touched the lives of faculty and students at Lowell Accelerated Academics Academy.*

“ My love and prayers to the family of Momma Louise. She was a dear sweet spirit filled with so much love. I will always miss you and will cherish each memory. We talked so much about life in such a short time. I was so amazed at the devotion of her family and friends. It is a testament to the character and love of her. I always looked forward to seeing her each day. She even adopted me for the short time we had because my mother passed so very long ago. She always gave hugs and greeted me with a smile and held out her hand in love. I want to thank the family and GOD for this beautiful, kind and loving lady. You will shine bright in Heaven and I know you are singing and dancing. Love, hugs and blessings especially to her devoted daughter and granddaughter.

“ *Let me start by saying I loved Mrs. Archer. When I worked in Saginaw, she took me in like family. She fed me and gave a place to sleep. You could not help but love her. We had lost touch over the years but my heart is sadden over her passing. To Petti and the family, you are in my prayers. I currently live in Atlanta, GA, so I will not be in attendance of the funeral. Please don't let my absence be an indication of how much I will miss her.*

“ Out of my 13 years of being a caregiver I've never been attached to anyone that I took care of the way I was with Mrs. Archer. When we first met we clicked instantly. She was truly a special lady. Beautiful woman inside and out. She was a woman of God. She was always praying with me and we would pray for each other. We would read Bible scriptures together and discuss how far God had brought both of us. She would always sing to me and called me her "baby". She was like a grandmother to me because I never knew one of my grandmother's and the other one lived down south and passed away. She would always give me advice and had so much wisdom. Kept a smile on her face and alot of mornings when I was feeling down just seeing her face brightened up my day. I would hide out in her room everyday because I loved talking to her. So everyone knew if they couldn't find me I was in her room. Lol. I miss her so much and wish I could just see her one more time. Just to hear her tell me she loves me. She told me that every day. 91 years on this earth is a true blessing. God needed her so He took her. I know she's here in spirit and just knowing that I will see her again one day makes me feel better. She was loved by many people and will be missed. I pray that all those who loved her are able to get through this difficult time.

“ On behalf of the Parker family, I remember Mrs. Archer, Ms. Green & her daughter coming to our church when Pastor Shelton was pastor. We pain for the separation of Ms. Archer here on earth, but God is rejoicing for her celebration in heaven! My daughter took real good care of Ms. Archer at The Oaks! She is now singing in the heavenly choir! Family, be encouraged and be blessed! Love, the family of Shantele Parker, and Barbara Parker, her mother, the retired mail lady!
