“ *Sis Grady will always be remember for her laughter, beautiful smile and kind words. Whenever I come home I always looking forward to going to church with my dad and seeing the mothers of the church. Sis Grady was one of those people who I look forward to speaking with on Sunday Morning after church in her corner seat by the door. The last time I came home I looked in that corner and she wasn't there.... She is now hanging out with the saints including my mom. Rest in Heaven Sis Grady.*
