“ Hi

*I would like to extend my condolences to the family of Mrs. Louise Wilson.*

*My thoughts and prayers are with her family.*

*I would like for the family to keep in mind what Jesus stated at John 5:28, he said "Do not Marvel at this for the houring is coming in which all those in the memorial tombs will hear his voice and come out".*

*This scripture gives us hope of seeing our dead love ones again. I hope it offers comfort to her family also.*

*Again, please accept my condolences.*

“ *May God Comfort You in this sorrowful time. Louise was a woman who said what she ment and ment what she said my mother thought she was funny the way she talked I knew when she was serios and when she was playing she brought a sense of stability to my life the times we spent toghter because she would take the time to talk to me not at me. I'm hurt by the passing if her but I did not want to see her in as much pain as she endured. "We Will Miss Her Alot"*

“ *Ms. Louise is what we called her. She's what every neighborhood needed then and what it needs today. Someone to be vigilant. When I was growing up on Alexander St. I remember if you were planning on doing anything wrong you'd better look over your shoulder to make sure Ms. Louise didn't see you. Isn't it funny how we grow up to appreciate people like Ms. Louise. Our thoughts and prayers are with you during your time of sorrow.*
