“ Sheronica,

*My heart breaks for you. I know how much your dad means to you. I also know how much you meant to him. You were his pride and joy from the moment you took your first breath! I hope in the coming days, weeks, months and years that you find peace and comfort in the memories that you have with your dad. Remember the smile you, Nehemiah and Rob brought to his face. Those are the things to remember to get you through the hard days. Here are a couple of my favorite pictures. The picture from the wedding is my favorite. We love you and we are keeping you in our thoughts and prayers during this difficult time.*
