“ With heartfelt sympathy, I pray the healing virtues of God be upon you through fond memories. I thank God for our journeys crossing and using Loyd to show the love of Christ to me and in so many other lives. Thank God for Loyd's hearty laugh and genuine smile which will always be remembered. I thank God for my first car trip to Flint with Josephine and Loyd, showing me love and kindness--- offering a welcoming spirit of get in where you fit in, please know that they fed me : >) . I remember Loyd to be a man with a love for family, extended family, friends and good work ethics. Family, may the joy of the Lord bless and keep you and make His face to shine upon you, may goodness and mercy follow you all the days of your life. Know that I love you with the love of Christ who is the Lord of my life. Blessings and peace of God be with you! Much love, Ann Proctor Brown (Milwaukee).

Scott and I have cried and now we must let you go. Selfishly we didn’t want to let you go but you said I’m tired and I’m ready. I’m so thankful for my phone call on last Wednesday because I was able to tell you I love you one more time. You rest easy and we got Jo Jo and we’re gonna make sure she ok. Until we Meet again. ❤️rest easy #breaker breaker 1-9 Michigan underdog signing out 🙌*
