“ God looked around His garden and He found an empty place.
He then looked down upon this earth and saw your tired face.
He put his arm around you and lifted to rest.
God's garden must be beautiful He only takes the best.
He knew that you were suffering.
He knew that you were in pain.
He new that you would never get well on earth again.
So He closed you weary eyelids and whispered, "Peace be thine."
It broke our hearts to lose you but you did not go alone;
for part of us went with you,
the day God called you home.
