Mrs. Lucille Campbell was born March 9, 1925 in Scranton, Arkansas, the daughter of Jack and Nita Poole. Lucille left home at 17 years of age not only because she loved to go places, but she wanted to help her younger siblings by finding a job. Lucille did find a job in Vancouver, WA on a ship. She later came to Michigan and worked as a waitress. Lucille wanted to help her mom and dad so she sent packages home to her younger brothers and sister in Arkansas. Mrs. Campbell family was very important to her, her sisters and brothers came to Michigan where she could try to help them. Eventually she met and married James Campbell who she who she met here in Flint, MI. Throughout her life she wanted to make sure her family was taken care of. Lucille made so many people smile; she had the ability to bring out the best in people. Her flowers in her yard were like a paradise. One of her many talents was cooking, everyone wanted all of her special dishes on holidays. No one could quite get their recipes to taste like hers. Lucille would always take time

out to listen to your problems and help you solve them. She had the ability to make something you thought was so overwhelming seem not so bad. She will always be the strongest person I've known and most inspirational. Many people thought of Lucille as a friend, because she made you feel special. If there was only one word to describe her it would be amazing.
