“ *Lucille was a dedicated volunteer in the Foster Grandparent Program. She served children with special and exceptional needs in homes, schools, Boys and Club and the YWCA Safe House.*

She was a guiding light for the children and families she served as a volunteer. Lucille was always willing to help others to meet their needs with no concern for herself.

It was a privalege to have a someone like Lucille in the Foster Grandparent Program. She will always be rememered by our staff as well as the hundreds of children whose lives she touched.
