I would like to take this moment to express my sincere sorrow in the passing of "Aunt Lucille." She never failed to come and visit me at the community center when she would come to town. She was a lovely woman, a kind spirit and always an inspiration to me. Please know that you all are in our thoughts and prayers. God Be With You.

“ *for the jones family i know that charles have known you all longer than i have but for the years that i have known mrs jones she always spoke her mind as a matter of fact she always had a lot to talk about. i know that my husband is going to miss her alot because he loved her and joe dearly. after all they are his granddaughter Ladonna's grandparents. I know that she had a great faith in the Lord and that she has been through a lot. Well it was time for her to go and be with the Lord and now she is at peace. For the family just keep the same kind of faith that she had and know that the Lord will see you through. Both Charles and I have been there and have buried our mother so we definitely know what you are going through. Just hold on to your father and to Gods unchanging hand*
