“ My name is Devon Caleb Brown and Mr. Lucius Rice Was my grandfather. He was a sharp dresser whenever he stepped out to an event and he had a love for beautiful vehicles especially Corvettes because my granddaddy loved to drive and drive fast. But he also taught me how to fish he would come pick me up from my house every time that he was going fishing when I was a Little guy all the way up through my teenage years In his 79 Lincoln continental fully loaded with a sunroof Which he eventually gave to me. And even though my grandfather was a good guy he always spoke his mind And didn't take any stuff from anybody. And I remember all the wonderful Christmases and thanksgivings that we had together at his house on Pulaski Street and on Comstock Street. To me him and my grandmother was like the Bill Cosby and Claire Huxtable of my family As far as the TV show (The Cosby show) goes. We used to go over there every Christmas Eve and they would make us go to sleep about seven or 8 o'clock and at midnight we were allowed to open up all of our presents underneath a huge beautiful Christmas tree with presents for everyone. So I know that right now he's up there with my grandmother the love of his life and my mother and I just wanted to take the time to share some of these beautiful memories. And they are so used to take us to Boblo island every year in the summer time... We will love and miss you always Granddaddy because you're a great man and a role model. ❤️❤️❤️👍

“ My sincere condolences goes out to the Rice family. Mr. Rice and his family used to live with us on Baker St. in the Oak Park Hotel. They were a beautiful family. I have often wondered where they were and how they were doing. If my memory serves me right, there was Mrs. Mae Francis, Cheryl, Denise and Tommy. I was a little girl then. My God continue to bless the family during this difficult time.
