“ *Growing on Juliah next door to Darrell, Ryan and Garth was like having more cousins and brothers. Mrs. Jean, affectionately known by me and my brothers and sisters. She was like an aunt being that her and my mother were close friends. I can't forget about Mr. Tommie. We were family. That was about, wow, 30 years of memories. She will NEVER be forgotten.*

“ *Lucy , where do I start? You was one of my favorites . Although you didn't say to much your facial expressions gave away if you liked a person or not lol. I am honored to be one of those you liked. I have flash backs of times I spent with you even on your last day here on earth. It saddens me deeply but your in a better place. I'll never forget that good appetite you had you would throw down 🍴 You will be missed "LUCY LU" ❤️*
