“ Mrs. Stinson has always been so very special to our family, I will forever be grateful to GOD for her

I will never forget when my mom passed how she would stop by my job and give me a hug, kiss me and say a prayer, it's like she could feel when I was down, but through the grace of almighty GOD he carried me through.

It mean so much to have special people in our life, so what I want to say is GOD is a great healer and may he bring smiles to you when you think about your mom!!!

Much love to you all

“ *My condolences and prayers to the Stinson family. I had the privilege to meet and work with Mother Stinson through our affiliation with the Great Lakes Baptist District Youth Department when she was the Youth Director at New Zion Baptist Church. Mother Stinson was great with young people and they loved her as much as she loved them. She was such a wonderful, loving, caring and nurturing woman of God.....truly a mentor. She has remained dear to my heart throughout the years and I shall never forget her. May God comfort and strengthen you during this period of bereavement as only He can.*
