“ In Ephesians 2:10 Paul tells us that...we are God's own handiwork(His workmanship), recreated in Christ Jesus,(born anew) that we may do those good works which God predestined (planned beforehand) for us (taking paths which He prepared ahead of time), that we should walk in them (living the good life which He prearranged and made ready for us to live. (Hebrews 4:3) tells us that our works were prepared for us by God from the foundation of the world. Although our hearts are heavy at this particular moment we can draw comfort in knowing that she lived her life on this earth as an Ambassador for Christ serving others. And throughout all of her hard work and perseverance, she held it together and never fell apart. She championed through until God called her home. We the Family of the late Mr. and Mrs. Willie Mack and Annie Mae Edwards would like to take this moment and light a candle of Life's Reflections for her time well spent on this earth for 103 years.

Your love etched in our heart forever

The Edwards Family
