“ *Family,
I will always remember Chi Chi and smile. I will remember she lived life on her own terms with dignity. I will remember throughout the years how she never expressed any doubt in her religious beliefs. I will remember how she loved all of you (her family). Yes, I will indeed always remember her. Chi Chi "Rest in Peace".
Love,
Janice*

“ *During our last conversation Mother and I was sharing about the goodness of the Lord. She would get so excited about the beauty of Gods creation. Mother loved life, she loved working in her yard and loved talking about the Lord. She always gave thanks to the Lord for all things. She had a smile in her voice and I never heard her complain. To the family Brother Frank and Luranne our prayers are with you. Brother Frank you took care of mom with everything you had and she would be proud. Just know she is now at rest.*

*Let the peace of God surround you like a shield in this hour.
