“ *The name Luther reminds me of another by that name that is sorely missed. Just think, quite possibly, Luther Alexander may be able to sing like that Luther when they come back home. Back to life in a paradise Earth, free of sickness and death. Even violence and bloodshed of any kind won't even be thought of, when Christ rules over the Earth, from Heaven above! That's why Jesus died so that even death will be done away with forever! That's what he tells us at John 11:25, 26!*
