“ *Lynsharon was like a sister to me. Even this picture taken at Sadie Hawkins...I fondly remember getting ready for it together. We did everything together. Rode our bikes, played jacks (for hours) walked to the store, went to the Valley and shared secrets. I was so saddened to hear of your passing, and I will forever miss you and love you! You have gone on to a more Blessed place than here but may your spirit live on through the beautiful children you have left a legacy to. I am praying for your Mother and the rest of your family...See you later pretty girl!*

“ *My dear childhood friend, I have always wondered what happened to you and how where you doing. We lived right across the street from each other on Pulaski. We used play records and sing together. I remembered how beautiful and smart you were. We went to high school and our aging years begin. I don't know how you passed, but I pray there was no suffering. Looking at your picture takes me back to that time when we were Innocent and free. Heaven has a sweet angel now. To the family, I'm deeply saddened to learn of your great loss. May God give you his perfect peace during this most difficult of sorrow.*
