“ *I met you at First Trinity as Sis Duncan, but grew to know you as mom my daughter and grandchildren call you granma Duncan which seem to love. It's no mystery to me how God used you during difficult times in my life to lighten the weight of my burdens through your prayers acts of kindness, and words of encouragement. Whenever you knew I was going through difficult times in my life a simple call or meal from you was enough for me to relieve a portion of the burden. For all you've down through the years I have a grateful heart of love and gratitude for you. I will truly truly miss you. The talks at the table on the porch, and Wow!! the laughs with you Nana. You've been a blessing in my life and for that I am blessed that God placed you in my life. Nikita!! thank you so much for being such an unselfish person in sharing your Mom with me. I love you with all my heart God Bless and strengthen you your Big Sis Always Marge!!!*

“ To my Family... we love you and we're praying for you during this time of transition.

Everyone should have the ability to encourage, but “Auntie” had the gift of encouragement! She was one of the people God placed in our lives to encourage us to do and be more to the Glory of God. I would walk in the house and she'd greet us with the BIGGEST Smile and she'd say, “boy, sang me just a lil bit of something.” We'd laugh and then talk about the Lord to the point where we couldn't stand it. She encouraged us and exemplified how to LIVE, LAUGH and LOVE!!!

To have people in your life like “Auntie” — you know you've been blessed by God! I can here shouting now, “Who wouldn't serve a God like this!!!!”

Love you “Auntie”
