“ I would like to send my condolences to the family. When someone we love dies, it's very painful. But the Bible talks about doing away with this pain at Rev 21:4. May the God of comfort, comfort your family at this time.

“ I am sorry to hear of your loss. May you find comfort in family and friends at this difficult time. The Bible gives hope that soon our Creator Jehovah God will end all suffering, pain, and death. And we have the hope of being reunited with our loved ones that have passed away. Rev 21:4, John 5:28-29. There will be many of those asleep in the ground of dust who will wake up to indefinitely everlasting life.
