“ *Salem Housing shares our condolences with you, the family and friends of Mack Wynne. We thank you for sharing him with us. We knew Mack best as all of us worked to restore houses and build community organizations. Mack was one of the group of people who created and shaped Salem Housing in the mid 1980's. He came to the new organization as a leader of one of the six groups that would create the Salem Housing organization. He served on the board and worked through the endless meetings and work days with the Rehab Committee year after year. Mack brought practical knowledge of "how to" not only repair battered houses but how to listen and plan with people who desperately needed stable and affordable housing, with a growing and diverse board and committees, and on using and respecting volunteers of all ages and skills. Mack was a quiet and reliable neighborhood leader for so many years. We thank you as family and friends of sharing him with us. Rest in peace, Mack.*
