“ Met Ms.Mamie, through one of her dear friends who’s now deceased Dorothy Mayberry, and was saddened to just now hear of her passing. I wish I had of known, but she touched so many lives it’s definitely impossible for the family to know everyone. Her talents in the kitchen were renowned, I use to stop by at least one Sunday a month after church to check on her and Mr. William but had to stop because my children always wanted a cake and she wouldn’t say no. But I did annually send them a Christmas card, including this past year not knowing she was gone. My heart is saddened and I pray for the entire family.
Gone but definitely not forgotten.

“ I didn't know Mrs. Holden personally and she didn't know me. But Michael is My Forever Friend. And when my Dad passed away several years ago, Michael came to the family hour with a delicious red velvet cake that he said his mother wanted our family to have. I thought Wow! What a kind and special lady; to take the time and to go out of her way to bestow this wonderful gesture. I will always remember Mrs. Holden's act of love and compassion. It meant a lot.

Michael, Calvin and Family, I'm praying that sweet memories of your Beloved Mother and God's Love will comfort and sustain you until you meet again.

“ To the Holden Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
